Okay. We will update the case style to match the court of appeals--but will drop "55th Judicial District".

I agree with Mr. Dunn. There is no question that the reference to the "55th District" is inaccurate.

Thank you for your email. I see no problem working with the case title used by the COA although I don't think the reference to the 55th judicial district is accurate.

Dear Counsel:

Mr. Dunn sent us the attached letter stating that the style of this case is listed incorrectly in our case management system. But I noticed that the style suggested by Mr. Dunn is different from the style used by the Third Court of Appeals in its opinion. I have copied and pasted below the style of the case in the Third Court of Appeals' opinion. Is there any reason we should not use this style in this case? I find that it is best to be consistent with the lower court in order to avoid confusion.
